3 YEAR CENTRAL QUEENSLAND MINING CONTRACT SECURED

Boom Logistics ("BOOM") today announced that it has secured a new 3 year contract to supply crane services to BHP Billiton Mitsubishi Alliance ("BMA") with two 1 year options to extend.

Brenden Mitchell, CEO of Boom Logistics, said: "BMA is our largest customer and this contract represents an extension to our existing services, consolidates our position in Central Queensland and reinforces BOOM as a major provider in the region. This is in line with our strategy in securing our relationships with blue chip companies and building long term sustainable revenue within the resources sector."
