NOMINATION AS SUCCESSFUL BIDDER BHP BILLITON OLYMPIC DAM

Boom Logistics Limited (“BOOM”), Australia’s leading provider of crane logistics and related industrial services, today announced that following a competitive tender process, it has been nominated as the successful bidder for a 5 year term to supply crane services to BHP Billiton’s Olympic Dam Operations. This represents a new business opportunity for BOOM.

This nomination is conditional upon both BOOM and BHP Billiton reaching agreement on the detailed terms and conditions.

A further update will be provided once terms and conditions have been finalised between the parties.
