Other Significant Information Needed by an Investor to Make an Informed Assessment of the Entity's Financial Performance and Financial Position

During the financial year, the company acquired 5 businesses throughout Australia. Combined with the full year impact from the 6 acquisitions in the previous financial year, these acquisitions have significantly enhanced the financial performance and position of the company at 30 June 2005. The impacts of these acquisitions are disclosed in the attached 2005 financial report.

Commentary on the Results for the Period

The earnings per security and the nature of any dilution aspects :

There has been no dilution on EPS as at 30 June 2005. Refer to the attached Statement of Financial Performance in the 2005 financial report for disclosure of basic and diluted EPS. At the end of the financial year, there were nil unissued ordinary shares in respect of which options were outstanding.

Returns to shareholders including distributions and buy backs :

Returns to shareholders during the financial year included the payment of 3.0 cents per share interim dividend in March 05 and a final dividend of 3.9 cents per share for the 2005 financial year to be paid on 21 September 2005.

Significant features of operating performance :

The operating performance has significantly increased as a consequence of solid organic growth, the acquisition of 5 businesses during the financial year and the full year impact from the 6 acquisitions in the previous financial year.

The results of segments that are significant to an understanding of the business as a whole:

Boom Logistics Limited only operates in one segment being the crane hire industry and wholly in Australia.

Discussion of trends in performance :

Other than the impacts from acquisitions during the financial year, there were no significant fluctuations in performance during the financial year which continues to be strong across the company.

Any other factor which has affected the results in the period or which are likely to affect results in the future, including those where the effect could not be quantified:

Continued buoyant economic conditions, particularly, in the mining and resources industry.
