New Opportunities - Mining & Resources

- Maintain solid contracts with major customers in the mining and resources sector
  - Extend / renew current maintenance contracts when due
  - Rate increases to reflect labour cost increases in the market place
- Win new mining contracts in H2 on maintenance and construction programs
  - QLD growth with existing customers – at new mine sites and provide "new value added" services
  - North West new construction opportunities being tendered
  - Opportunities for new contracts in Hunter region as mine sites changing to multiple supplier model
- Introducing new revenue streams and expanding new "value added" services:
  - Engineering services
  - Maintenance programs
  - Specialised labour skills
- Cross-sell Boom and readi services with major customers and contractors on mining sites

Strong Pipeline - Wind Farms & Telco's

- Secured circa $30m of wind farm revenue for FY19 which includes:
  - Completion of Acciona Mt Gellibrand in Victoria
  - Project works completed at BMS, CatCon, Vestas
  - GE Coopers Gap project underway in Queensland
  - Goldwind Cattle Hill to commence in Tasmania
  - Ongoing wind farm maintenance works
- Success with our "Total Service Offer" model on wind farm construction projects
- Strong sales pipeline of circa $390m of opportunity over next two years
  - Target to commence two new wind farm contracts December 2019 / January 2020
  - Opportunities for Travel Towers in wind farm sector
- Telecommunications pipeline is strong over the next 2 years with the 5G roll-out
- Utilisation improving on large Travel Towers in Telco sector with solid order book in H2 FY19

Growth Opportunities - Infrastructure

BOOM LOGISTICS

- Strong pipeline and opportunities over the next three years in the infrastructure and civil construction sector
- Focused on specific projects including bridges and rail – where Boom has experience in complex lifts and engineering expertise
- Target new revenue using dry hire model on specific infrastructure and construction contracts

readi

- Major revenue growth opportunity for **readi** labour hire services on infrastructure and construction projects
- Revenue from **readi** labour hire is an important non-capital revenue stream for the Group

Industrial Relations Update

- NSW - Enterprise Agreements
  - Stand alone labour agreements at Port Kembla, Singleton and Newcastle depots
  - Focus on rebuilding our business and increasing our customer base in the Hunter region
  - Some mining customers in Hunter region are opting for multiple suppliers to ensure security of supply
  - New pricing models and packages being tendered
  - Restructuring the Hunter business – merging Newcastle crane depot with Singleton depot to service customers in the region
  - Heavy Lift business unit (Port Kembla) has successfully resumed activity with strong H2 FY19 order book

- Other Locations – Enterprise Agreements
  - Recently agreed a new Enterprise Agreement at BHP Olympic Dam and submitted for approval to Fair Work
  - Most other EBA's not due until 2020 and 2021

Outlook for FY19

Revenue Growth

- Revenue to increase as wind farm construction projects commence full-swing in H2
- Telco 5G market expected to remain strong for Travel Towers
- New “value added” services being tendered to mining customers
- Growth on infrastructure projects through **readi** labour hire - contracts being negotiated
- Rate increases implemented across products and services
- Hunter region mining customers introducing multiple supplier model

Operational Management

- Maintain the safety culture and disciplines – towards zero harm
- Continued focus on utilisation improvement and relocation of assets to growth areas and new contracts
- Focus on labour recovery and introduced new metrics to improve margins
- Sale of older surplus equipment, with a target of $3m in asset sales in FY19
- Maintain flexible capital model; larger assets introduced on a rental and project basis

Financial Performance

- Revenue of circa $200m for FY19
- Trading EBITDA $25m - $27m for FY19
- CAPEX of circa $13m for FY19
- On-market share buy back to continue following release of H1 FY19 results
- Share buy backs funded from operating cash flows
- Strategic review underway on the small travel tower assets
