

Cyber Security Incident

25 May 2022: Boom Logistics Limited (ASX:BOL) advises that it has been targeted in a cyber security incident involving unauthorised access to its IT systems.

The Company took immediate precautionary steps by shutting down its IT systems and enacted its business continuity plans and processes to maintain service delivery.

The incident is not materially impacting Boom Logistics' Operations at this time.

Managing Director and Chief Executive Officer, Tony Spassopoulos said "We have engaged IT and cybersecurity experts to bring our systems back online safely and to fully investigate the incident. Our priority is the safety and security of our people, our customers and our supply partners."

The Company has also engaged with the Australian Cyber Security Centre, law enforcement and regulators.
